The Health Profiles for Pennsylvania Counties are a series of 68 individual profiles -- one for each county and one for the Commonwealth. The most recent information available was used. The major data source is the State Health Data Center, Pennsylvania Department of Health. Additional sources include other units of the Department (i.e., Bureaus of Quality Assurance, Epidemiology and Disease Prevention, Special Public Health Services, and Maternal/Child Preventive Health Programs, and Office of Drug and Alcohol Programs), Pennsylvania State Data Center, Pennsylvania Department of Public Welfare, Pennsylvania Office of Employment Security, Pennsylvania Medical Society, and Pennsylvania Department of Transportation.

The profiles will continue to be updated biennially, with the next edition available in 1992. Comments and suggestions for improvement are welcome. If there are any questions or if additional information is needed, please contact the State Health Data Center, Pennsylvania Department of Health, P.O. Box 90, Harrisburg, Pennsylvania 17108, telephone number (717) 783-2548. The Pennsylvania Department of Health is an equal opportunity provider of grants, contracts, services, and employment.

The Health Profiles for Pennsylvania Counties are a series of 68 individual profiles -- one for each county and one for the Commonwealth. The most recent information available was used. The major data source is the State Health Data Center, Pennsylvania Department of Health. Additional sources include other units of the Department (i.e., Bureaus of Quality Assurance, Epidemiology and Disease Prevention, Special Public Health Services, and Maternal/Child Preventive Health Programs, and Office of Drug and Alcohol Programs), Pennsylvania State Data Center, Pennsylvania Department of Public Welfare, Pennsylvania Office of Employment Security, Pennsylvania Medical Society, and Pennsylvania Department of Transportation.

The profiles will continue to be updated biennially, with the next edition available in 1992. Comments and suggestions for improvement are welcome. If there are any questions or if additional information is needed, please contact the State Health Data Center, Pennsylvania Department of Health, P.O. Box 90, Harrisburg, Pennsylvania 17108, telephone number (717) 783-2548. The Pennsylvania Department of Health is an equal opportunity provider of grants, contracts, services, and employment.

The Health Profiles for Pennsylvania Counties are a series of 68 individual profiles -- one for each county and one for the Commonwealth. The most recent information available was used. The major data source is the State Health Data Center, Pennsylvania Department of Health. Additional sources include other units of the Department (i.e., Bureaus of Quality Assurance, Epidemiology and Disease Prevention, Special Public Health Services, and Maternal/Child Preventive Health Programs, and Office of Drug and Alcohol Programs), Pennsylvania State Data Center, Pennsylvania Department of Public Welfare, Pennsylvania Office of Employment Security, Pennsylvania Medical Society, and Pennsylvania Department of Transportation.

The profiles will continue to be updated biennially, with the next edition available in 1992. Comments and suggestions for improvement are welcome. If there are any questions or if additional information is needed, please contact the State Health Data Center, Pennsylvania Department of Health, P.O. Box 90, Harrisburg, Pennsylvania 17108, telephone number (717) 783-2548. The Pennsylvania Department of Health is an equal opportunity provider of grants, contracts, services, and employment.

The Health Profiles for Pennsylvania Counties are a series of 68 individual profiles -- one for each county and one for the Commonwealth. The most recent information available was used. The major data source is the State Health Data Center, Pennsylvania Department of Health. Additional sources include other units of the Department (i.e., Bureaus of Quality Assurance, Epidemiology and Disease Prevention, Special Public Health Services, and Maternal/Child Preventive Health Programs, and Office of Drug and Alcohol Programs), Pennsylvania State Data Center, Pennsylvania Department of Public Welfare, Pennsylvania Office of Employment Security, Pennsylvania Medical Society, and Pennsylvania Department of Transportation.

The profiles will continue to be updated biennially, with the next edition available in 1992. Comments and suggestions for improvement are welcome. If there are any questions or if additional information is needed, please contact the State Health Data Center, Pennsylvania Department of Health, P.O. Box 90, Harrisburg, Pennsylvania 17108, telephone number (717) 783-2548. The Pennsylvania Department of Health is an equal opportunity provider of grants, contracts, services, and employment.
